

Weyerhaeuser Environmental Books

William Cronon, Editor

Weyerhaeuser Environmental Books explore human relationships with natural environments in all their variety and complexity. They seek to cast new light on the ways that natural systems affect human communities, the ways that people affect the environments of which they are a part, and the ways that different cultural conceptions of nature profoundly shape our sense of the world around us. A complete listing of the books in the series appears at the end of the book.

NATIVE SEATTLE

Histories from the Crossing-Over Place

COLL THRUSH

Foreword by William Cronon

UNIVERSITY OF WASHINGTON PRESS *Seattle & London*

Native Seattle is published with the assistance of a grant from the Weyerhaeuser Environmental Books Endowment, established by the Weyerhaeuser Company Foundation, members of the Weyerhaeuser family, and Janet and Jack Creighton.
